My dear patients (who have become my friends through the years).

I have come to a very difficult decision to step away from my beloved practice. I cannot express enough how much I have enjoyed treating you and your families over the years. It is very hard to say goodbye. As I grow older – as all of us are – I am more aware that the passing of time is inevitable and going very fast. At this time, I have made a decision to retire from the practice of dentistry to focus on my family and physical health concerns.

To maintain the continuity of my patients – my friends – I met several different dentists and decided on Dr. Chady Elhage. He is caring, personable and a meticulous dentist. His goal is to continue the quality of care for which you have graciously shown me with your loyalty throughout the years. Dr. Elhage has been a prominent member of our dental community for many years. He is extremely talented and is looking forward to getting to know all of you and working with my beloved staff.

So, with tears in my eyes, I write this letter from the bottom of my heart. It has been my pleasure to help you and to know you. While I will greatly miss this part of my life, I am hopeful that the future will bring us all good health, happiness and peace.

Sincerely,

Demi Kazanis, DDS
